look into something

Beyond the usual: doing the splits and spinning on your back at the school dance; screaming and clapping at sports events while playing or watching; sneaking the neck-peck before the teacher rounds the corner; and basically hangin' out with a thousand people your age. Where else you gonna get that?

Face it; high school is itself, a short, separate entity in the corner of the big picture. And the 1991 school year was a prime example of that.

So as these pages unfold, you'll find that in the scope of all time and reality, this ain't the usual stuff.

**H**omecoming was once again a success. The football team proved victorious, defeating Northridge by a score of 9-8. Some of pre-game activities consisted of the tricycle race, the wheelbarrow race, the bed race, and the ever popular toilet paper wrap. The seniors were the paper champions — AGAIN — in the pre-game activities. As the losers punishment, Jenny Bear "... got to put pies in everyone else's (other presidents') faces because I'm president of the senior class." Mother nature got in on the action as well. Queen candidates and court members used piles of paper towels to protect their chairs from the rain. The court agreed that the funniest thing about Homecoming was sitting near the football field and "... listening to the players grunt and groan!" — Angele Bernier

"You Can't Take It With You,"

**T**his year's fall play presentation was "You Can't Take It With You". The play, written by Moss Hart and George Kaufman, is a comedy in three acts. Directors Doug Cartwright and Marcia Yost combined their talents with those of the actors and the result was successful.

"You Can't Take It With You" is the story of family love vs. romantic love. Alice Vanderhof is a nice, normal working girl who has fallen in love with the boss's son, Tony Kirby. Alice and Tony become engaged and their families must meet. While the Kirbys are very sophisticated, proper people, the Vanderhofs are strange and seem like lunatics. The meeting is bound to turn into a disaster.

Chaos erupts as the Kirbys arrive for dinner one day early and find the Vanderhofs in their usual state of craziness. An X-rated parlor game and an embarrassing arrest convince Alice that the two families could never mix. In her depression, Alice prepares to take a little vacation when she is stopped by Tony. Tony confesses to having brought his family a day early on purpose to show them what a real family is. Tony assures Alice that everything will be alright and the wedding plans are resumed.

Senior leads in the play, Chris Jones and Jenny Gruber, gaze lovingly at each other.

Paul Sycamore (Greg Miller) wonders aloud to Grandpa Vanderhof (Jeremy Garber), "Do you think we should put some clothes on?"

Preheim,  
Young Woman Of The Year

**G**oshen High School senior Cheryl Preheim was selected Indiana's Young Woman of the Year from a field of 38 contestants on February 10 in Frankfort. She now advances to national competition with winners from all 50 states in Mobile, Alabama, in the last week of June.

Prior to the final pageant, Cheryl was named winner of her Presence and Composure preliminary round and also participated in preliminary rounds of Fitness and Creative/Performing Arts, as well as a Panel Evaluation (interview) with the judges. Scholastic Achievement was also one of the judging criterion. Deep appreciation was expressed for the Goshen community. "All the support that I felt from the students and faculty at GHS made all the difference in the world, making it an even more memorable week." Cheryl also encourages other students to participate in the Young Woman of the Year Program. She was rewarded for her hard work with \$7,000 in college scholarships, but says, "No matter what the outcome, everyone gains from the experience."

— Jean Keener

New friends (fellow competitors as well) take time to congratulate Cheryl.

Cameras flash and the audience applauds as Indiana's 1991 Young Woman of the Year is announced.

Donna McComas and Alex Campos were married February 14, 1991 at the First Church of God by the Rev. Mylon Miller. The bride is the daughter of Dave and Shirley McComas. The groom is the son of George and Esperanza Campos.

Attending the bride as maid of honor was Ginger Everly. Bridesmaids were Jenny Bear, Brandi Barkes, and Stephanie Fisher. The flower girl was Lily Bates and the ring-bearer was Max Yoder. Gustava Chavez attended as the best man. The groomsmen were John Anderson, Jimmy Mullins, and Michael Schmucker. The ushers were Roy Gayton and Justin Lyons. Vocalists were Cami Angelmyer, Anne Briscoe, and Cheryl Preheim.

Both the bride and the groom, seniors at Goshen High School, participated in the Married Life Class. This class is offered to seniors. Married Life is intended to help teach the skills needed to reach and obtain a healthy and happy marriage.

— Tracy Ritter

To begin the reception, Alex and Donna cut the wedding cake and feed it to each other.

During the ceremony, the couple light the traditional candle as the Rev. Mylon Miller observes.

"I" nto The Woods" is a combination of several famous fairy-tales such as Jack and the Beanstalk, Little Red Ridinghood, Cinderella, Rapunzel, and appearances are made by Snow White and Sleeping Beauty. The characters are all bound together in their quest for wishes. The baker and his wife wish to have a child, Jack desires money to help his aging mother, and Cinderella wishes to go to the King's festival ball. The witch ties everything together as she tells the baker and his wife what they need to get the curse of being childless reversed. They must obtain: "... a cow as white as milk, a cape as red as blood, hair as yellow as corn, and a slipper as pure as gold." Each of these items is needed from the other characters and the couple is granted three days to fetch them. As Act I closes, everyone gets his wish ... but wishes have consequences. During Act II, the characters are faced with trying to rid the kingdom of a lady giant in search of the boy who stole her gold and killed her husband. Everyone learns to work together, eventually, and devise a successful plan to dispose of the giant.

Despite the occurrences of several deaths and affairs, each character manages to get back on his feet. And as in any famed fable, they all lived happily ever after ...?

— Angele Bernier

Cinderella (Shannon Hartzler) sits while the baker's wife (Cami Anglemyer) tries to convince her to give up a golden slipper.

The wolf (Jeremy Brunk) serenades Little Red Ridinghood (Jenny Graber) as he tries to sway her from the path.

**T**he Marine Biology trip is becoming a tradition at GHS. It's the relationship of science at sun and sea. But, that doesn't have to mean boring, burn and bubble. Although the work of collecting specimens is predominately the fun of this spring break adventure, there's still vacational traditions for these 70 people.

Like most vacations, consuming large amounts of food is a must and this particular journey sported 4,200 cookies, visited mostly all-u-can-eat dinners highlighted by a shrimp eating contest in which the record still stands at 207, respectively. They also visited a state park where they viewed the wonders of the water through a glass boat.

They may have been under the sea and below the sun, but they still made the grade.

## TERS & TOURS

Three combatants went into head-to-head battle in the last event as the Goshen Redskins upset Northwood, 82-80, for the Class B Championships of the Goshen Relays.

The event was the second of three races of the 1,600 relay. The leaders — Goshen, DeKalb, and Northwood Redskins, who collected 22 points from the throwing events (discus and shot) and won the high hurdles, long jump and an 800-meter relay race, nearly doubled the point production from last year's ninth-place effort.

"There's an old saying, 'luck is when opportunity meets preparation,'" says Goshen's coach Rick Clark. "Our luck came today because we had ourselves prepared real well." And as Northwood's coach, Fred Myers, said, "Goshen's a good team, they deserved to win."

**L**ive! From Goshen High School! It's Saturday night! Mrs. Resler's been shooed! The New Kids have been dethroned, and Goshen High School's disciplinary system has been made a mockery of. Who's to blame? Who do you think? On May 4 the antics of the class of 1991 rocked the halls of GHS.

Opening with a heartfelt rendition of the national anthem, the follies proceeded to poke fun at, show different sides of, and generally mock our national entertainment and political figures, our school teachers and administrators, and themselves.

In a terrifying finale, all the seniors in the house stormed the stage to bid farewell to GHS. "Hey! Hey! Hey! Good-bye!"

**B**lack and white checkered floors. Potted paper palms in every corner. A cascade of black and white balloons occupying the center of the dance floor. Miniature cakes and red punch. Keepsake pens and goblets. All these details are things remembered about the 1991 Prom. There are many other moments that are etched in our memories as well. Dancing to a special song (stepping on your date's toes), that wonderful restaurant (dumping food all over your formal wear), or maybe the time and care taken to look your best (frantically searching for a misplaced tube of lip stick or bowtie). Whatever the reason, May 11th was a special night in our high schools that will be remembered. If we had the chance, we'd probably do it all over again.

Everything Has Its Season

**T**he 1991 Seniors graduated June 1st on the GHS Foreman Football Field. The outdoor ceremony and the decorated gowns worn by faculty and administrators added two new twists to graduation this year. The invocation was given by Greg Miller. Senior speakers were Cheryl Preheim, Jean Keener, Jenny Bear, Scott Moon, and Joe Smucker. The Benediction was given by Michael Schmucker. Under direction of Marcia Yost, the Advanced Choir played their part by performing two numbers. The band, directed by Dave Plank as participated by playing the graduation march theme. Excitement was shown clearly on the faces of those who finally held their diplomas; but when all was said and done and it was time to leave, tearful faces and classmates hugging one another prevailed.

Sadness  
And  
Excitement Is "Spectacular"

**T**he Crimsonettes presented another Spectacular show on June 7th, 8th, and 9th in the GHS auditorium. The tentative theme of the show, "Sing, sing, sing!" represented a wide range of material. Along with some standard numbers, throughout, the Crimsonettes used complete with mouse hats. In keeping with most shows, the Spectacular had its challenges. "I think the biggest challenge is always to keep the Spectacular fresh," said director Marcia Yost. A director also faces the challenge of helping each senior find "that special solo" along with rehearsal time. Each Spectacular also brings a little sadness along with the usual excitement of performing. This year, nine seniors graduated to enter into a new phase of their lives. Despite sadness, the audience and performers left with a sense of hope inspired by the words of the final number, "No One Is Alone".

# Cheerleaders

Soon after the 1990-91 Cheerleading squads were chosen they began their busy schedule of activities, fundraisers and contests.

The JV and Varsity started their year out competing in the Elkhart County 4-H Fair cheerleading contest. All three squads were very active in the community as well. The varsity performed a cheer for the American Cancer Society at Augsbergers and for the Grand opening of Sam's Wholesale Club. A cheerleading clinic

was put on by the squads to teach cheers, chants, jumps and mounts to hopeful future cheerleaders.

The cheerleaders played a key role in providing school spirit. They supported various teams by decorating the lockerrooms with signs. In hopes of bringing two schools closer, all three squads from Goshen and Concord made up a dance and performed it at their basketball game. Prior to the game the squads had a pizza dinner.

— "SEEK AND DESTROY"! This is the title of a song by the heavy-metal group Metallica. It is also a phrase heard often in the huddle of the Lady Rodskin volleyball players during their games.

The team had an exceptional season. With the leadership of six seniors the team set high goals and achieved them by winning 3 Invitational and finishing runner-up in the Penn Classic. The girls also captured a second straight sectional crown sending them to the Mishawaka Regional where they eventually lost in the final to the 11th-ranked Mishawaka Cavewomen. They finished

the season at 24-4 — all four losses going to state ranked teams. The 24 wins is the most in school history.

By capturing the Homestead Invit. coach Rose Kettlebar got her 200th victory. "The girls have put in a lot of hard work, put the emphasis on teamwork and have developed strong friendships," commented Kettlebar. "The truly appreciate each other on the court."

Post season hours went to seniors Kerri VanderReyden, Angie Hislope and Diane Smith who were named to the All-NLC volleyball team. Smith was also named MVP.

This years boys tennis team, headed by new coach Kelly Todd, finished the season with a record of 8-8.

The team was led by junior Scott Miller who was named MVP, with a 14-5 record at #2 singles. He was also runner-up at NLC.

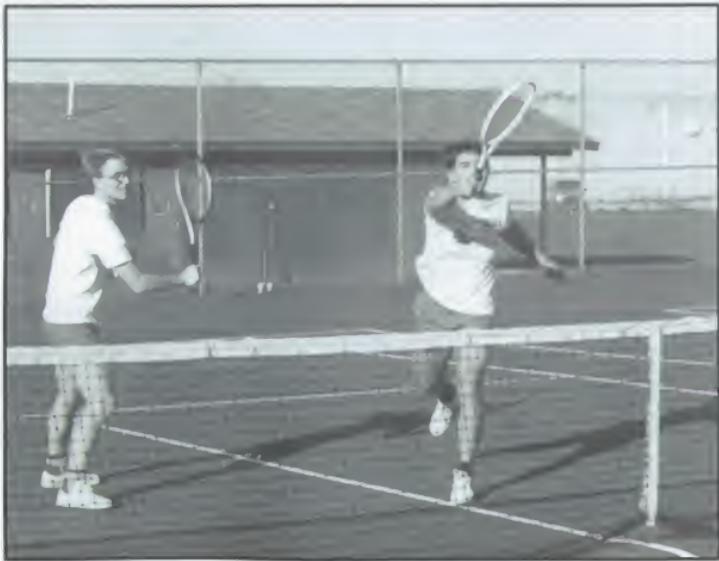

Senior leadership was provided by Joe Smucker who was

co-captain with Scott Miller.

The team record does not always tell the story. As coach Todd stated, "five out of eight matches lost were by a score of 2-3." With the team placing 3rd in NLC and only three seniors graduating, Todd is looking forward to a good season next year.

# Girls' Golf

## nlc champs

The 1990 Girls' Golf Team opened the new decade with another great season. The team had a winning record of 17-4. Other notable achievements were winning the NLC Tournament and finishing 2nd in the Sectional. The 6th place finish at Regional was just 4 strokes out of 4th.

The varsity team consisted of one senior, one junior, and four sophomores. Junior Jill Kasprzak was the most consistent performer leading the team with a 49.9 average. Tina Lambright was the NLC Med-

alist. Senior Dee Crilow was captain and a great team leader.

"Based on the athletic ability of the squad and this year's performance, next year's team could be the best Girls' Golf team ever at G.H.S. A goal of reaching the State Finals is certainly a realistic goal," says Coach Wayne Lambright. He will definitely remember this team as one of his most enjoyable coaching experiences during his twenty-five years of coaching.

## Ryan Miller All-State

After a tough loss to No. 1 ranked Hobart in the first round of sectionals, the 1990 varsity football team ended their season with a 4-5 round. They were 4-2 in the conference, finishing in a tie for second place.

Tri-captains Ryan Miller, Michael Schmucker and Bobby McLaughlin provided just some of the prominent leadership on the team. Ryan Miller had an outstanding season walking away with Most Valuable honors and being named to the All-Conference first team and to both the AP and UPI All-State football teams. McLaughlin and Adam Zepeda were also named to the

All-Conference first team. Sophomore quarterback Jerrod Bardwell and seniors Michael Schmucker and Dave Phillips were honorable mention.

Although the veterans played a key role in the success of the Redskins, it was apparent that youth often dominated the lineup. Such was the case with freshmen Allen Hodge and Todd Nisley, who have made a rare accomplishment starting for a football team at the Class 4A level. "They have been a surprise and it is good to know they have three more years to play," stated Head coach Randy Robertson.

# Boys' Cross Country

## season record 10-3

With a season record of 10-3, the Boys' Cross Country team proved to be one of the best squads in the last six years. Coach Rick Clark contributes the season's success to the seniors: "This year's senior leadership is a large factor in our great improvement."

Providing this leadership was Craig VanCuren and Matt Wiese who were senior co-captains. Senior Bob Kovatch, a first year member of the cross country team, set the pace for the Skins by

being the #1 runner. He was also named Most Valuable Runner.

After an important victory over Plymouth, the Redskins took sole possession of 3rd place in the NLC. Junior Eric Solyom, the #2 runner, and Bob Kovatch were named to the NLC All-Conference team.

By placing 5th at Sectional, the team went on to Regional where Bob Kovatch led the Skins by placing in the top 20.

Helping the team finish strong in sectional is Senior Bob Kovatch.

## Kim Willems MVP

With a limited number of runners, the 1990 Girls' Cross Country team often found it difficult to score in meets. They ended the season with an 0-10 record, 0-6 in the NLC.

Returning letter-winner Kim Willems led the team and was named MVP for the second straight year.

Although she did not run most of the season because of an injury,

team captain Melissa Dervin provided the team with senior leadership and was awarded the Barb Zook Mental Attitude award at the post-season banquet.

Freshman Kelly Kintigh contributed greatly to the team along with the other first-year runners: senior Charity Peterson, junior Shahn Hawkins and exchange student Amalia Padilla.

## Donna McComas MVP

The girls' swim team finished their season with a 2-12 overall record. They were 2-4 in the NLC Conference. Despite the losing record, Head Coach Steve Conder believes, "This years team turned the corner for Goshen Girls' Swimming. Their attitude and work ethic, as a team, was vastly improved."

Senior Donna McComas led the team with a fifth place finish

in the 100 yard breaststroke at the Penn Sectional and was named Most Valuable Swimmer. Sophomore Nicole Brockmueller earned All-Conference honors by winning the 100 yard backstroke at the NLC championships. Senior Chad Trenshaw ended his high school diving career in Indianapolis where he finished 15th at state. He helped the team finish 5th at NLC by earning All-Conference honors for the second straight year. He was also sectional diving champion for the second straight year where the team finished 4th at the Penn Sectional.

The teams' overall record of 6-7 was the best over the last six years. They were 2-4 in NLC. Scoring in every event this year,

the team compiled 131 points which is over twice as many points as scored last year.

Coach Steve Conder credited the seniors for their leadership. "The seniors did a fantastic job of setting the tone for the season, early on. We will lose four very valuable young men this year, but the program will benefit from their efforts for years to come."

The four seniors graduating are Chad Cripe, John Bradford, Aaron Finnigan and Chad Trenshaw.

## Sectional Champs

For the first time since 1978, the Boys' Golf team captured the sectional championship. They placed third in the NLC with a 3-3 record. The varsity posted a 17-6 overall record.

Junior Kevin Stark led the team by taking medalist honors in both the NLC and Sectional tournaments with scores of 77 and 72. He made the All-NLC team for the third straight year and set a new GHS average for the season with a 38.6, breaking the existing record of 39.3.

Fellow classmates, Jeremy Jones, who played with a broken bone in his right hand during sectionals, turned in his best 18-hole score as a GHS golfer with a 77. He was named MVP at the post-season banquet.

With Senior Captain Greg Miller as the only graduate and four returning lettermen along with several other prospects on the reserve team, the 1992 team should be both experienced and competitive.

# Girls' Basketball

Kerri Vandereyden MVP

With a third straight winning season under fourth year head coach Barb Carbaugh, the girls' basketball team demonstrates that they are ever improving. The team finished the season at 13-7 and were 4-2 in the NLC. They also won the Holiday Tourney for the third straight year.

Two school records were established this season: Junior Cristi Weaver set a new single-season free throw percentage record at 75 percent. The team shot 40.7 percent from the field, surpassing the previous best mark of 37.6 set in 1989.

Carbaugh credited senior Kerri

VanderReyden with her leadership on the court. She finished second on the all-time Goshen assist chart with 159. Fellow classmate Angie Hislope was credited for her tough defensive assignment inside. She was the second-leading scorer behind Junior Kristen Milton who averaged 13.5.

Three players graduate off the team — Angie Hislope, Elaine Miller and Kerri VanderReyden. "We lose the cornerstones of our offense and defense with Hislope and VanderReyden," Carbaugh said. "We will miss their leadership."

Senior Kerri VanderReyden displays the defensive pressure that made Goshen one of the best defensive teams in the area.

# Baseball

## Scott Zoller MVP

"Looking at it overall, this was the most enjoyable year I've had as a coach," said Brian Elderidge. It was certainly a year full of ups and occasional downs. Although the team lost unexpectedly in the first round of sectionals, there were many pluses during the season that made up for it.

Senior pitcher Justin Lyons who moved to Goshen this year from Colorado, was a major contribution to the team. He pitched a no-hitter in the season opener against Memorial and finished the season with an 8-5 individual record. He struck out 74 and walked 21.

This years group of seniors were ones who really loved the game of baseball and it often showed in their performance. First baseman Andy Ogle was the team batting leader with a .381 average, a surprise improvement from his junior year. Fellow classmate Scott Zoller was third in batting at .337 and first in runs scored with 31. He also had six home runs, was named MVP and was awarded the Outstanding Defensive Player award at the year-end banquet. Catcher Matt Chupp hit .277 and had a pitching record of 2-3. Captains

were Jorge Camacho and Matt Wiese. Wiese struggled this year due to ankle injuries that he suffered in Cross Country and because of it, was out most of the season.

One surprise that was a pleasant one for coach Elderidge, was the forthcoming of freshman Allen Hodge, third baseman and catcher. He was second in team batting with a .378 and led the team with 37 hits and 33 RBIs. He also had six home runs and was named Outstanding Offensive Player. "He has done more than we ever expected," commented Elderidge. "He was well accepted by the upperclassmen who couldn't believe his talent either."

After an eight game winning streak at midseason, putting the team record at 14-4, the Redskins eventually concluded their season at 17-11. They were 8-4 in the NLC, finishing in a tie for second place. Ogle, Zoller, Lyons and Hodge were all named to the All-Conference team.

## VOCATIONAL AUTO-MECHANICS

by Amy Fervida

What do you get when you cross 14 students, 1 teacher, and a bunch of lemons? Vocational Auto Mechanics! The G.H.S. Auto Mechanics is a class made up of Juniors and Seniors and is three hours long.

Every year, the students decide what kind of car they want to build. This year, they rebuilt a 1957 Chevy. Mr. Williams usually sells the cars that the class builds, but he said, "I do not intend to sell this car."

Mr. Williams, just like any other teacher, has a few goals for his class and for his students to achieve. For starters, Williams would like to complete the '57 project. He would like to have at least five students continue in Vocational and have 20 students make applica-

tions for Vocational I. "I would like my program become attractive to more students," stated Mr. Williams.

College. Where does college fit in? Well, through this program, students can apply for grants. Mr. Williams helps his students by letting them know what is available and he helps them fill out the application that would give them the best chance to receive those grants.

Although the shop has a lot of equipment, Mr. Williams would like to have a computerized alignment equipment.

## WE ARE PEOPLE HELPING PEOPLE

Caring Close to Home

If it is true that a hospital is people, then there has always been a hospital in our community. Since the days when the "hospital" was a handful of beds in a room above the doctor's office, there have been people providing for our community's health-care needs.

The hospital we know today as Goshen General Hospital began in 1909, when the people of the Goshen area held the first meeting to organize the Goshen Hospital and Training School. After several years of fund raising, the hospital opened its doors on Fifth Street with a bed capacity of 25. The new hospital in its present grounds was opened in 1955.

Since that time, Goshen General Hospital has invested considerably in updating and expanding its facilities to provide the most progressive medical services available.

Medical technology has changed greatly, and new technology and treatments are developing faster than ever today. But one thing that has never changed — and never will change — is our commitment to caring. Caring extends not only to individual patients, but to their families as well. Caring that comes from therapists, technicians and service staff as well as from doctors and nurses. Caring not only from the hospital to the community, but from the community to the hospital, as evidenced by our outstanding volunteer programs.

And therein lies the story of Goshen General Hospital. It is a story of caring that extends from the people of the hospital to the people of the community and back again. There has always been a hospital in our community and, thanks to your support, there always will be.

If you want to become part of this caring for people, you can't ask for a greater reward in life. We encourage you to consider a career in the health care field.
